Welcome Back and Happy New Year

So great to see all those smiling faces back in our halls this week! We hope you all had a great Holiday Season filled with quality family time. You will not see a lot on the Google Calendar these days as we try to keep it fairly low key in January and February. However, there is still a tonne of great stuff happening at École Quarterway. Keep your eye on our website and calendar for any changes and updates. We look forward to two very productive months full of learning opportunities for our kids.

Grade 7 Farewell Celebration – June 22nd

We are starting a new tradition here at École Quarterway. From this point forward, we are asking that grade 6 parents be responsible for planning, organizing and hosting the Grade 7 farewell evening in June. As this is the first year for this new venture, we would like to work with you to help get you started. We can offer any support, advice, history that you need. This is **NOT** meant to be an onerous task as we try very hard to keep this evening as low-key and casual. We do not believe that the planning will take up too much of your time between now and June as all grade 6 parents will eventually be involved in some small way. However, to make this work, we do require some leaders. If you are interested in leading a small committee or need more information, please call Mr. Lundine. Once the team is made up, emails and phone calls to **all** grade 6 parents will follow.

Late French Immersion

On-Line registration for Kindergarten and grade 6 Late French Immersion opened earlier this week. If you know of someone who is considering moving to Ecole Quarterway for this amazing program, please have him or her contact us in the office. We can answer any questions they may have. Registration for Grade 6 Late Immersion closes at the end of the month.

2017 Kindergarten Siblings

The office needs to know as soon as possible if you have a sibling entering Kindergarten in the fall of 2017. Please speak with Jamie regarding your child and how to register.

PAC Update

The next three PAC hot lunches will be February 3 and 24, and March 17. Thanks to everyone who made it out to our tree chipping day at Country Grocer. We look forward to seeing you all again soon. Coming soon....Please watch our Bowen Road fence line for Sponsors of our Nature-Inspired Play Space.
